Herts Inclusive Theatre Company

We welcome everyone

Registered Charity no 1136031

About Us

Herts Inclusive Theatre is an organisation that gives children, young people and adults the opportunity to participate in drama, dance and music in an inclusive environment, where participants are able to express themselves without feeling any prejudice or judgement.

Each individual is valued for their capabilities and their contribution to the group and everyone takes part on an equal level.

HIT runs after school and holiday workshops for children and young people aged 4 – 19 years, and a weekly session for adults.

HIT has successfully provided inclusive groups in the Hertfordshire area for the past ten years.
