

Hertfordshire's Learning Disability Partnership Board.

We are looking for family carers to volunteer their time and join us on the partnership board.

Are you a family carer of an adult (18+) with a learning disability?

or

A family carer of a child with a learning disability going through transition into Adult Services?

- Would you like to join other partners on the board in helping to make the lives of people with learning disabilities and family carers better?
- Would you be willing to get involved and bring the voice of carers to the meetings?
- Do you have good ideas and can think of solutions ?
- Would you be willing to work in partnership with other members and carers to come up with solutions to issues and concerns?
- We are looking for 5 family carer members, just like you, to play an active part in the Learning disability partnership board.
- Come along to one of our recruitment events on September 8th (East Herts) and 9th (West Herts) to find out more and apply.
- If you are interested but you can't make these dates, still contact us and we will be very pleased to discuss a possible alternative.
